

Online Auctions

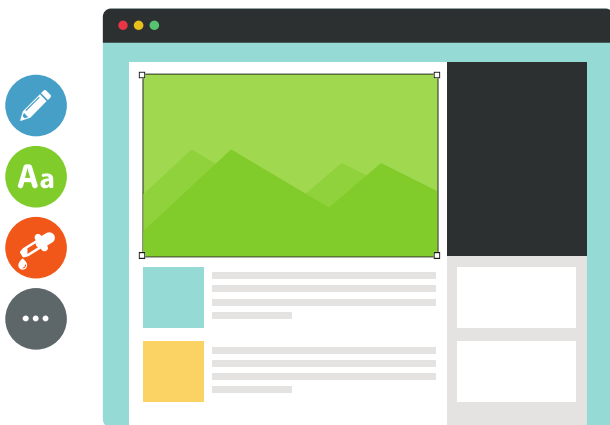

Charity Auctions Today designed its auction platform specifically for nonprofits, schools and churches. We give you all the tools you need to successfully create and manage your online auction. Our auction platform is web based so people can bid on your items from anyplace in the world. We also provide social media tools to easily spread the word. The more you promote your auction, the more exposure you'll have. More exposure will create even more bidders.

Online Auctions Provide the Greatest Exposure

An auction is successful when you raise all the funds you need for your cause. With our online platform, you'll be able to connect with the right people:

- ✓ donors who provide the items you auction off
- ✓ sponsors who donate money for your cause
- ✓ bidders who will bid on your auction items

Your auction web page includes the following:

- ✓ Item details showing pictures and description
- ✓ Donate Item button to secure donations
- ✓ Item categories for easy browsing
- ✓ Sponsor and donor links to promote their businesses
- ✓ Social Media integration
- ✓ Customizable home page
- ✓ Online event ticket sales

Raise Funds Throughout the Year with Online Auctions

Online auctions let you raise funds even when you are not holding a live event.

- ✓ Save money by not having to pay for a venue
- ✓ Use fewer volunteers to manage your auction
- ✓ Include consignment items for additional excitement
- ✓ Send out bid texts to increase bid amounts
- ✓ Auctions can be public or private – you decide
